

# FAMILY SERVICE POINTS PROGRAM

## Our Mission

*Oakdale Academy exists to instill Character, Truth, and Wisdom in our students in order to prepare them for a life of service to God, family, community, and country through classical Christian education.*

## CommUNITY

*“Behold, how good and pleasant it is when brothers dwell together in unity.”  
Psalm 133:1*

For the past 15 years, we have relied upon the gracious generosity of volunteers in filling needed roles in our community. As we grow and continue to offer more opportunities to our students, the number of volunteers that are needed grows. As we are a community with a family-centered school model, we wish to spread the opportunities to serve and bless one another across each family. To that end, we are instituting a Family Service Points Program. The goal of this is to make the point system generous so that all families are able to achieve their points. In some instances, students may be able to assist their family in fulfilling points.

Many of you will see that you generously serve in the areas listed below already. There are a variety of ways to get involved and serve and you will be able to select how you fulfill those points. You will be able to record service points in FACTS on your family’s account from a drop-down menu that will be updated as events and needs occur. More information will be forthcoming. We’re looking forward to being able to serve alongside each of you in the coming year as we continue to make Oakdale a great place to be.

To that end, each family is required to complete 100 service points. Points that are left unfulfilled will be billed through FACTS at \$10/point.

Below is a non-comprehensive menu of ways in which you can fulfill your service point requirements. Seasonal opportunities will be listed as they become available, with needs posted in the Patriot Post.

Note: *It’s difficult to capture all of the ways in which our families serve our community. If we’ve missed something, please let us know! We are happy to provide service points for an activity we’ve neglected to capture on this list.*
